## First Central Employee (Nadia Mirza) – OpEx Team Volunteering

On 27th June, OpEx Team South at 1st Central supported St Peter & St James Charitable Trust hospice through Neighbourly. The hospice provides expert care to adults with life-limiting illness across Burgess Hill, Haywards Heath, Lewes, Uckfield and surrounding areas.

The team toured the distribution centre, met volunteers, and sorted public donations including clothes and books. The hospice operates 10 charity shops, online sales and events to generate the £10k per day needed to support their services.
